SENDER'S EMAIL CONFIRMATION 121

Sent: Monday 7 Jan 2002, 9:05 am
From: info@pos-e.com
To: Sam Sender (sam@sender.com)
Subject: Original message

Dear PoS-e Customer:

Attached is a copy of the message, and any documents, (in eml format) that you transmitted via Proof of Service - electronic (PoS-e). As soon as it has been received by your Recipient(s), you will receive a confirming Certificate of Proof of Service.

Please store the eml file in a place on your computer that is associated with the subject matter of the message so that you can easily find it in the future.

The eml format is the most commonly-used message format on the internet and can be automatically opened using Outlook Express. In order to view the contents of the eml file, simply double click on it and Outlook Express will automatically open.

If you have any questions, please refer to the Frequently Asked Questions (FAQ's) on our website at <http://www.pos-e.com>.

Thank you for using PoS-e dot Com! We appreciate your business.

If you are happy with our service, please refer a friend.

Sincerely,
Proof of Service - electronic (PoS-e)

Select a Method to Receive Your PoS-e-Gram

If your browser is Java-enabled, you will see an option to utilize a Java Applet. This is the preferred method because of its many features, which are certified by a Thawte Digital Certificate. If you do not see that option, use one of the other two methods; both of which will require you to return to our site once we have emailed a password to you. These procedures are instituted to protect your privacy and ensure that you receive your message.

- ☒ **PREFERRED:** Download the message using the PoS-e Java Applet
- ☐ Receive the message via direct download*
- ☐ Receive the message via email*
 - ☐ Via an Easy-Open file (an .exe file)
 - ☐ Via a Zipped file (standard .zip file)**

☒ I agree to be bound by the Terms of Service and Tariff Which can be read by clicking [HERE](#).

* These systems require you to return to PoS-e for a password, as noted above.

** This system requires that you have zip software installed on your computer (such as WINZIP), as stated above.

Dear Rhonda Recipient:

ELECTRONIC CERTIFICATE
OF SERVICE 110

Hello! This email is sent to you to transmit the Proof of Service - electronic (PoS-e) Certificate which is proof that the message and attachment(s), (if any) were delivered by PoS-e, as was requested by the Sender.

The PoS-e Certificate is in Portable Document Format (pdf) and you need an Adobe Acrobat Reader to view it. If you do not have such a reader, you can download it for free from: <http://www.adobe.com/products/acrobat/readermain.html>

The Certificate is sent to you in pdf format so that it cannot be altered in any way.

Please print out a copy for your files and save the original computer file in your archives.

If you need further proof at any time in the future (within the contract period agreed to by the Sender) simply (a) go to our website and follow the link "Proof", and (b) email to us a copy of the Certificate, along with the specifics of your request. We will contact you immediately to provide the requested Certificate, and any additional proof you may request (such as a supporting Affidavit).

You can review further details about this on our website, <http://www.pos-e.com> and following the "Proof" link. You can also contact PoS-e for more information by following the "Contact Us" link on our website.
